

**ELECTRONIC FUND TRANSFERS  
YOUR RIGHTS AND RESPONSIBILITIES**

The Electronic Fund Transfers we are capable of handling for consumers are indicated below, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for these transactions. You should keep this notice for future reference.

*Consumer liability.* Tell us AT ONCE if you believe your card/code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. Any account holder whose card or device is lost or stolen and subsequently used by an unauthorized person shall only be liable for the lesser of fifty dollars or the amount of money, goods, or services obtained by the unauthorized use prior to notice to us. If the unauthorized use occurs through no fault of the account holder, no liability shall be imposed on the account holder.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

*Contact in event of unauthorized transfer.* If you believe your card/code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call:

Revised 03/15

- (1) *Terminal transfers.* You can get a receipt at the time you make any transfer to or from your account using our automated teller machine.
- (2) *Preauthorized credits.* If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at 970/641-2171 to find out whether or not the deposit has been made.
- (3) *Periodic statements.* You will get a statement at least quarterly.
- (4) *Passbook accounts where the only possible electronic fund transfers are preauthorized credits.* If you bring your passbook to us, we will record any electronic deposits that were made to your account since the last time you brought in your passbook.

*Preauthorized payments.*

- (1) *Right to stop payment and procedure for doing so.* If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how:

Call us at 970/641-2171 or write us at 303 N. Main St., Gunnison, CO 81230 in time for us to receive your request three business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge you \$20.00 for each stop-payment order you give.

- (2) *Notice of varying amounts.* If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

- (3) *Liability for failure to stop payment of preauthorized transfer.* If you order us to stop one of these payments three business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses of damages.

*Financial institution's liability.* If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (1) if, through no fault of ours, you do not have enough money in your account to make the transfer.
- (2) If the transfer would go over the credit limit on your overdraft line.
- (3) If the automated teller machine where you are making the transfer does not have enough cash.
- (4) If the terminal/system was not working properly and you knew about the breakdown when you started the transfer.
- (5) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- (6) There may be other exceptions stated in our agreement with you.

*ATM Fees.* When you use an ATM not owned by us, you may be charged a fee by the ATM operator [or any network used] (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer.)

In Case of Errors or Questions About Your Electronic Transfers **Telephone us at 970/641-2171 or write us at 303 N. Main St., Gunnison, CO 81230** as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the **FIRST** statement on which the problem or error appeared.

(1) Tell us your name and account number (if any).

(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.

(3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts (30 days or less), point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.
